

FREE Prescription collection service

Save time and petrol. Let us deal with your regular medication. We will arrange for your prescription to be ordered and collected from your Doctors surgery. Then we will have it dispensed, and so ready for you to collect, at a time convenient to you. This means you only need to make one journey to Walton pharmacy to pick up your medication.

For the housebound, delivery of your medicine can also be arranged. Please ask for details.

To take advantage of our collection service, just fill in the form below and hand it in at the pharmacy counter.

You can also request repeat prescriptions on our website, www.Waltonpharmacy.co.uk, and follow "repeat prescription" link.
