For the Supply of Vaccination:						
Date	Formulation	Batch No. & Expiry	Administration site	Comment	Time	Signature
Additional Vaccination Advice:						
CUSTOMER IS ADVISED TO WAIT 15 MINUTES POST VACCINATION.						
Immunisation against the virus usually causes no problems. You may have a temporary mild soreness at the injection sight and possible muscle aches for a day or so. This soon settles and does not lead to other problems. Serious reactions very rarely occur.						

PATIENT CONSENT

I have received information on the risks and benefits of the medicines recommended and fully understand them. I have also had the opportunity to ask questions. I consent to the recommended medicines being given at each appointment*.

Patient or Guardian Name / signature// Date.....

Do you consent for our pharmacy and/or our authorising medical agency to contact you regarding customer satisfaction? Yes / No

PHARMACIST AGREEMENT

I have consulted the specific PGD which enables me to supply the listed medicine and have found that the patient is included in treatment and there are no valid exclusions applicable. I have given the patient information on the risks and benefits of the medicines recommended and have done my utmost to ensure the patient fully understands them. I have also given the patient the opportunity to ask questions. This will be carried out at each appointment.
